TASTING NOTES

This Tempranillo is egg white fined and bottled unfiltered. Opaque with a black plum color. On the nose you get an initial hint of cocoa powder followed by dark berries and ripe red cherries, with a subtle hint of vanilla bean spice on the back. Medium-Full bodied on the palate showing pretty cherry and dark fruit flavors up front with a hint of subtle wood tannins imparted from the gentle use of seasoned oak barrels in the aging process. The finish is long and palate coating.
