### TASTING NOTES

Deep ruby core with a garnet rim. On the nose there is baked cherry pie with wild herb notes followed by fresh anise and floral aromatics. The palate is very well balanced with elegant yet powerful fruit showing red cherry and raspberry, bright acidity and soft fine tannins. The wine has a lovely mid-length finish with the flavors carrying throughout.

### SERVING SUGGESTIONS

While this wine is lovely to enjoy on its own the fruit and fresh brightness of this wine will pair quite nicely with many dishes or charcuterie and cheese plates. Try it with any compound salad like a Duck Confit salad or an Arugula, feta and fresh strawberry salad. Also in it's wide range is savory grilled herbed chicken or pork on their own or with a light sauce!
