TASTING NOTES

Amber resin lens in color showing the immense viscosity of this late harvest straw dried wine. Dried apricot and brulée aromatics. Creamy, rich mouthfeel. Flavors of peach cobbler kissed with butterscotch and Medjool dates. Lovely acidity mid-palate and a touch of roasted hazelnut. Long lingering flavors.

SERVING SUGGESTIONS

This wine is a luscious and fulfilling dessert on its own. If you are yearning to pair with this fantastic wine, try a goat cheese like Humboldt Fog, an onion tart, or a simple biscotti.

Serve chilled!
