

PAINTED SKY VODKA

Proof: 80 proof

Aging: None

ABV: 40% ABV (80 proof)

Handcrafted

Small batch

DISTILLING

Our small batch, handcrafted vodka begins with our fruit-to-glass grape brandy and high-proof grape-based spirit. We distill our vodka above 90% ABV for a smooth, clean taste, then proof it to 40% ABV with our proprietary water profile. Finally, we filter through activated carbon and aerate for a pillow-soft texture.

TASTING NOTES

Our vodka shows light floral notes with a smooth texture.

Initial sips reveal subtle fresh berry fruit accompanied by a creamy mouthfeel and rounded palate with a rolling warmth.

SERVING SUGGESTIONS

Serve straight from the freezer. We love this easy-drinking vodka over ice with a twist of lemon. Adding an ice cube or a few drops of water brings out the florals and reveals a creaminess that is perfect for sipping. This spirit also shines in a vodka tonic or a very dry martini.
